# STER IN 2025

## STER TURNS 60

This year marks a special milestone: Ster celebrates its 60th anniversary. For the past 6 decades, Ster has been the dependable and trusted partner for brands, media and advertising agencies when purchasing advertising space around the public broadcaster's programmes. Whether it is radio, TV or online advertising, Ster is the place to be for running successful campaigns.

For 60 years Ster has also played a stable and vital role in establishing an independent public broadcasting corporation with a substantial annual contribution to the media budget. A public broadcaster that produces high-quality and trustworthy programmes for all Dutch people. And so, Ster plays its part in providing millions of viewers and listeners with versatile programmes by the public broadcaster, day in, day out.

## STER GOUDEN LOEKI: 30 YEARS OF ICONIC COMMERCIALS

In addition to Ster's 60th anniversary, we have another celebration: *Ster Gouden Loeki* turns 30 this year. The one and only people's choice award for commercials will be presented for the 30th time in 2025. It is an award celebrating the best, most beautiful or most extraordinary commercial in the Netherlands, chosen by the viewers.

At Ster we believe in the power of advertising. With the *Ster Gouden Loeki* we aim to stimulate brands and advertisers to make attractive commercials. This special 30th edition introduces something new: for the first time we will be turning the spotlight onto charities, by placing them in their own category and presenting a unique people's choice award. The winners of the Golden, Silver and Bronze Charity Loekis will be announced in March.

## GREAT OPPORTUNITIES FOR YOUR BRAND IN 2025

The programmes and content of the public broadcaster are well viewed and listened to, receive high ratings and draw both a wide audience and specific target groups. This allows you to reach everyone through Ster. Using this great coverage and our knowledge and insights, we will gladly look for new and exciting opportunities for your brand.

## NEW IN 2025

The purchase options for online have been expanded. Besides organisations of general public interest, commercial parties may now also purchase display. This puts your banner campaign in full view on the public broadcaster's digital channels.

You will find the purchase options for display on page 21 under the header 'online'.

# ADVERTISING WITH THE PUBLIC BROADCASTER

# New talk shows, high-quality drama series, powerful documentaries and events bring an audience of millions to your brand.

## PREVIEW

The programmes by the public broadcaster are informative, inspiring and bring Dutch society together. This year focuses on a fresh and revamped offer of talk shows, such as Eva, Bar Laat and Carrie op Vrijdag. Additionally, viewers can look forward to original Dutch, high-quality drama series and powerful documentaries.

One such documentary is Het Verhaal van Nederland; this time around, it tells the history of our capital city. Naturally, the viewers' favourites, such as Boer zoekt Vrouw, Wie is de Mol? and De Slimste Mens shall also return. And this is merely a sampling of all that is on offer!

## EVENTS

Throughout the entire year, the calendar is filled with great events. The first few months of the year are dominated by speed skating. We also have the Orange squad's World Championship qualifying matches to look forward to, plus Eredivisie football and the Women's European Football Championship, the Tour de France and the Formula 1 in Zandvoort.

There are also powerful multi-medial events such as The Passion, the Eurovision Song contest, 3FM Serious Request and the Top 2000, that always draw in millions of listeners and viewers.

## REGIONAL PUBLIC BROADCASTERS

Did you know that as of 2024 we provide the national sale of the regional public broadcasters, both on radio and on television? The 14 broadcasters witness what is happening in local society and endeavour to reach a large and wide audience with their public media offer.

The regional public broadcasters cover local events, such as carnival, skûtsjesilen, the 4Days Marches and numerous other special moments that bring people together. This is how you can reach the heart of the region.

More information can be found at [ster.nl/regionaal](https://ster.nl/regionaal)

# SCORE WITH ORANGE

# UNCHANGED IN 2025

In 2025, Ster will continue its policy from previous years. The policy is aimed at transparent, fixed rates and stable purchase options. The discounts and benefits remain the same as in 2024. Here they are.

## MULTI-MEDIAL VOLUME DISCOUNT AND CONTRACTS

In a volume contract you lay down what budget you will use at Ster that year. As a reward you receive a discount, that applies from the very first Euro you spend with us. That is, assuming you achieve the budget – the volume - agreed upon. The discount applies to all medium types and is set off against the rates. You can enter into a volume contract from €250,000 onwards, whereby we apply the following discount tiers:

- ▶ €250,000 to €500,000 = 2% discount
- ▶ €500,000 to €1,000,000 = 3% discount
- ▶ €1,000,000 to €1,500,000 = 4% discount
- ▶ €1,500,000 and higher = 5% discount

Volume contracts can be entered into retroactively until 1 April 2025. The discount then applies from 1 January 2025. It is, of course, also possible to purchase campaigns without contracts. The discount is then offered from the moment that a tier has been reached and only applies to the volume within that tier.

## EARLY PAYMENT AND SYSTEM DISCOUNT

The percentages for the early-payment discount and the system discount, as described in the General Terms and Conditions, have both been set at 0.5%.

## GUARANTEED RATE, PRIORITY ON PLACEMENT

Campaigns that are requested before the initial request deadline for the purchase period are given priority on the reservation of advertising space. Furthermore, Ster does not apply a market index in excess of 100 to these campaigns. Should the market index come out lower than 100, you will benefit from the lower market index. The initial request deadlines are published at [ster.nl/deadlines](https://ster.nl/deadlines).
